

| Connection Elements | DFV 6 | HSV 2/8 | HSV 1/5 | HSV 1/6 | HSK-K | HSK-R | HSOC |
|----------------------|---------------------|---------|---------|---------|----------------------------|--------------------------|---|
| Technical data | voltage distributor | | | | high voltage cable | | connection socket |
| | | | | | | | mechanical connection element for high voltage safe assembly of cascades and switches |
| conduction mechanism | | | | | carbon filled plastic core | soldered resistor chains | |
| insulation | | | | | plastic cover | plastic cover | |
| specific resistance | | | | | 50kΩ/m | e.g. 2,7kΩ, 10 pcs/m | |
| number of plugs | 6 | 10 | 6 | 7 | | | |
| plug design | PG | PG | PG | O ring | | | |

function
description
details, specials

breakdown resistant connection between high voltage components
